GEYER has completed a library masterplan for the **UNIVERSITY OF SOUTH AUSTRALIA**. Their new projects include fitouts for **AUSTRALIA POST** (40,000 m²) and **GOLDMAN SACHS JBWERE** (two floors at 101 Collins Street). Work continues on projects for **ORICA**, the **DEPARTMENT OF EDUCATION**, **TELSTRA** and **ANZ**.

ARTILLERY is upgrading 30 corporate boxes at the **MCG**. After completing Sydney premises for **AMNESTY INTERNATIONAL**, the firm is now working on the organization's Brisbane premises (500 m²). Stage one of their design for the **SALVATION ARMY'S** Blackburn headquarters is in design development (5,000 m²). The team is completing a foyer refurbishment for **INVESTA** at Customs House, 414 La Trobe Street.

VARC has been commissioned by **STANDARD & POOR'S** to upgrade their tenancy at 120 Collins Street.

MADDISON ARCHITECTS is completing new offices in South Yarra for the **PHOTON GROUP**. In Canberra, they are designing the **HINTERLAND** cafe (175 m²) and extending **MECCA BAH** to include a new bar named **THE BAH** (65 m²). Projects coming up include a concept store for **KATE HILL** (60 m²) and the **HIGH TIDE EXPRESS** coffee bar at Melbourne Airport (70 m²).

WOODHEAD is working on interiors for the redeveloped **AUSTRALIAN RED CROSS BLOOD DONOR SERVICE** (750 m²). The team is also completing a corporate fitout for the **ATO'S** Hobart office, a national roll-out for **MIELE** showrooms and retailers (40 m² – 100 m²), and ten apartments in the refurbished 1920s **BOCCARA** building in Elwood (75 m² – 120 m²). The firm is also upgrading the Starlight Express Room at the **ROYAL MELBOURNE CHILDREN'S HOSPITAL**.

RETAIL ENVIRONMENT DESIGN (RED) is refurbishing various locations for **CENTRELINK** and **7-ELEVEN**. New **ROGERSSELLER** showrooms in Fortitude Valley (380 m²) and Waterloo (380 m²), and a **MIMCO** store in Canberra are also in progress.

RYAN RUSSELL is busy with two retail fitouts on Gertrude Street – **ALICE EUPHEMIA** (60 m²) and **TITLE RECORDS** (110 m² across two levels).

ARCHITECTUS recently won a competition to design the new **BRISBANE SUPREME COURT AND DISTRICT COURT** in the Brisbane CBD (70,000 m² across 19 storeys). The firm is also working on the **LAND WARFARE CENTRE AND TRAINING DEVELOPMENT CENTRE** at the Watsonia army barracks, for the Department of Defence (1,600 m²).

ELENBERG FRASER recently completed interiors for Shannon Bennett's lauded **VUE DE MONDE** on Little Collins Street.

HASELL is in concept design for **AXA TECHNOLOGY SERVICES** (2,300 m²), with design development progressing on interiors for **ARUP** (1,700 m²). The firm is completing sketch design for the **AFP OIL-FOR-FOOD TASKFORCE** (600 m²) and documentation for the **ANZ Breakout Centre** (2,100 m²).

BAENZIGER COLES is working on concept design for **IDP EDUCATION'S** St Kilda Road premises (900 m²) and a fitout for **VIRGIN BLUE** at Melbourne Airport. The team is also working on sites in Victoria, New South Wales, and New Zealand for **JENNY CRAIG**. The firm's fitout for **FISHER GRAHAM** at Freshwater Place is complete.

SMITH MADDEN is busy with fitouts for **LONDON PARTNERS** (600 m²) and for the **CHILD SUPPORT AGENCY'S** Dandenong premises (2,000 m²).

BATES SMART is completing interiors for 85 luxury apartments at Salta Properties' **150 CLARENDON STREET** development in East Melbourne, on the site of the old Mercy Hospital (40,000 m²). Work is also underway on the masterplanning for the mixed-use **VILLAGE DOCKLANDS** project (110,000 m²). The firm is refurbishing the **MAPLE ROOM** and **CEDAR ROOM** gaming areas and designing a new 160-seat **NOODLE BAR** restaurant at Crown (1,500 m²).

CARR is working on two projects for **TRANSURBAN** – a second New York office (1,000 m²) and Melbourne headquarters in the Rialto (1,200 m²). Interiors are in progress for **SMS MANAGEMENT & TECHNOLOGY** (1,600 m²) and **HILTON HOTELS** in Cairns (515 m²) and Adelaide (eight suites and 192 guest rooms). A fitout for the **OVER FIFTIES MANAGEMENT GROUP** was recently completed (1,000 m²), while their work with **SCHIAVELLO** on the new **LINEAR** workstation and office system is progressing.

FMSA ARCHITECTS has been chosen by the **DEPARTMENT OF EDUCATION** to design a new rural campus at Glenormiston (1,050 m²) and the **BROADMEADOWS SPECIAL DEVELOPMENT SCHOOL**. The firm is also keeping busy with a neighbourhood renewal program covering 45 properties in Hastings.

GRAHAM NICHOLAS'S Bourke Place offices for the **AUSTRALIAN AND NEW ZEALAND INSTITUTE OF INSURANCE AND FINANCE** are under construction (1,340 m²), with work recently completed on offices for **READYMIX** in Kew (500 m²) and **MAX SUPER** on Exhibition Street (800 m²). Stage two of the **THALES ATM** fitout continues at the World Trade Centre (2,200 m²).

CUNSOLO ARCHITECTS is at briefing stage for a new **QANTAS** call centre (6,000 m²), for refurbished William Street offices for recruiter **HEIDRICK & STRUGGLES** (550 m²), and for **BEATON CONSULTING'S** offices on Chapel Street (800 m²). The team is working on two projects at Melbourne Park – the refurbishment of offices for **TENNIS AUSTRALIA** (1,500 m²) and **MELBOURNE OLYMPIC PARK** management (1,500 m²).

PAUL MORGAN ARCHITECTS is working on computer laboratories at **RMIT'S** city campus (1,600 m² across two levels) and a learning centre at the **GIPPSLAND INSTITUTE OF TAFE** in Leongatha (1,650 m²). Work is also underway on a new TAFE building at the **CHISHOLM INSTITUTE** in Dandenong (6,200 m²). >>

MELBOURNE

PERTH

SPOWERS is working on the **AUSTRALIAN TECHNICAL COLLEGE** in Sunshine (3,500 m²), Hunter Street offices for **EXCELIOR** in Sydney (200 m²), and a lobby and retail fitout at **380 LONSDALE STREET** (155 m²). The firm's project at **567 COLLINS STREET** is also underway.

JACKSON INTERIORS is designing fitouts for the **AUSTRALIAN NURSING FEDERATION** in Melbourne (7,000 m²) and the **AK RESERVE STADIUM** in Perth. The firm is also completing resort housing in Wuxi, China.

PECKVONHARTEL is designing a branded tenancy for **ASCIANO** at 380 St Kilda Road.

PLUS ARCHITECTURE is working on eight apartments (125 m² – 210 m²) at South Yarra's **59 DARLING STREET** for Metro Build, with work continuing at the **TOORONGA VILLAGE** site (200 apartments, a 4,000 m² shopping centre, and 4,000 m² of office space).

SJB INTERIORS has just completed a new restaurant and bar fitout for **CREAM** in Canberra.

GRAY PUKSAND is busy with CBD projects for **BABCOCK & BROWN** in the Rialto (1,000 m²), **BNP PARIBAS** at 101 Collins Street (650 m²), **FAST** at 114 William Street (600 m²), and **DB RREEF** at 172 Flinders Street. The team is also working on Rathdowne Street premises for **NAB HEALTH** (1,200 m²) and offices on City Road for **CENTRAL EQUITY/MICM** (3,200 m²). A project for **OXIANA** is also in progress (3,800 m²).

ROTHELOWMAN is designing 433 rooms at **THE WHITELEY HOTEL** in South Yarra and stage two of a South Melbourne office space for **NLC**.

SMITH MADDEN is working on sketch design for **BATEMAN'S** offices in a new building at Parliament Place (1,800 m²). **ASPEN** has commissioned the firm to integrate recently acquired space (300 m²) with their existing tenancy at Septimus Roe Square. The team is also designing a new fitout for **TS MARINE** at Adelaide Terrace (350 m²).

WOODHEAD is refurbishing space at the Perth Airport for **QANTAS** and **NATIONAL JET SERVICES**. The firm is space-planning 22,000 m² for the **DEPARTMENT OF HOUSING AND WORKS**, the **DEPARTMENT OF PLANNING AND INFRASTRUCTURE**, and **LANDCORP**.

BLAKE THORNTON-SMITH is working on a fitout for **MACQUARIE BANK** in the Bishops See development on St George's Terrace (4,000 m²) and premises for **WRAY & ASSOCIATES** in Ord Street, West Perth (2,500 m²).

INTERIORS AUSTRALIA is busy with fitouts for **CONSOLIDATED MINERALS** in West Perth (1,600 m²) and **AUSTRALIAN AIR EXPRESS** at the Perth Domestic Airport (700 m²). The team is also extending level 14 at the heritage-listed **DUMAS HOUSE** in West Perth (700 m²).

MARSHALL KUSINSKI is in the midst of masterplanning for **LANDGATE'S** Midland facility (16,000 m²), with schematic planning in progress for **HBFS** Karrinyup (120 m²) and Whitford sites (120 m²). Design documentation is almost complete for **ABN/APG'S** office refurbishment (2,000 m² across two levels). The firm is also working on retail branches in Joondalup and Gateways for the **HOME BUILDING SOCIETY** (150 m²), and fitouts at QV1 for **SHELL DEVELOPMENTS** (650 m²) and **WORLEY PARSONS** (6,400 m²).

STH ARCHITECTS in Perth and Melbourne will be collaborating with **HASSELL** and **HAMES SHARLEY** in the proposed team for the **FIONA STANLEY HOSPITAL** in Murdoch (112,000 m²), with the **HOLLYWOOD PRIVATE HOSPITAL MEDICAL CLINIC** and carpark also underway (25,000 m²). The firm is redeveloping the **BENDAT FAMILY COMPREHENSIVE CANCER CENTRE** at Subiaco's St John of God Hospital (52,000 m²).

WOODS BAGOT is continuing work on the new Advanced Learning Centre at the **HONG KONG UNIVERSITY OF SCIENCE AND TECHNOLOGY**, in conjunction with the Hong Kong government. The project comprises the Institute of Advanced Study, the School of Business Management, and short-term accommodation, as well as permanent residences. The firm is also working on a coastal apartment project in Port Coogee and, in collaboration with New York architects **DS&F**, a new **TIFFANY & CO** store covering two floors on King Street in the CBD.

SYDNEY

THE WORLD IS ROUND is designing retail concepts for **JOSH GOOT** at Myer Melbourne and a store in Sydney. The firm is also working on Richmond premises for **DDB WORLDWIDE** (2,500 m²) and the **SABLE HAIR SALON** in Liverpool Street, East Sydney (120 m²).

PRO MANAGEMENT GROUP is busy with office fitouts for **ARBONNE** (800 m²), **BAT** (1,000 m²), and **KORDIA** (900 m²). Several tenancy projects are underway for **D-LINK** in North Ryde (1,300 m²), and the firm has been engaged by **NOBEL BIOCARE** to design their Auckland office after completion of the company's Australian tenancies. In addition, the team is working on space planning for **EADS** and **AIRBUS** in the CBD.

BAXTER CREATIVE has just finished restaurant fitouts for **SOUK IN THE CITY** in Surry Hills and **TOMATILLO** in Kings Cross. Design is also in progress for **STONEHOUSE** in Walsh Bay and **WOKSTAR**.

WOODS BAGOT has collaborated with **MARC NEWSON** and Parisian architect **SÉBASTIEN CG SEGERS** on the recently completed **QANTAS FIRST LOUNGES** in Melbourne and Sydney.

FERGUSON DESIGN STUDIO is working on three child care centres – one in Little Collins Street in Melbourne (900 m²), a second in the Homebush Quad 4 development (1,400 m²), and the **ZENITH CHILD CARE CENTRE** in Chatswood (1,000 m²). Projects in progress include offices for **SBS** in Artarmon (1,000 m²), offices and a call centre for **GIZMO** in Ultimo (700 m²), and a relocation for **MITSUBISHI AUSTRALIA** to new offices at 50 Bridge Street (1,300 m²).

ALEKSANDAR DESIGN GROUP has been commissioned for a new five-storey commercial building in the Burwood town centre (100 m² retail space and 1,228 m² of commercial tenancies).

INTERIOR ARCHITECTURE DESIGN is using ESD principles and Green Star ratings in its fitout for **BOSTON SCIENTIFIC** in Mascot (1,400 m²).

ALLEN JACK+COTTIER is busy with an adaptive reuse project, converting an 1890s mill into the **FLOURMILL STUDIOS**, housing 47 individual studios (3,000 m²).

FUTURESPACE has finished design for the staff cafe at **INTEGRAL ENERGY'S** Huntingwood site (400 m²). The firm has been appointed by **JPMORGAN CHASE** for an additional 450 m² at 101 Collins Street. Following completion of their North Ryde premises, **MEDTRONIC** has appointed the firm to design a new Melbourne fitout. The team is also working on premises for **CA** in Melbourne (4,500 m²) and Sydney (8,000 m²), for **NIB** in Newcastle (7,000 m²), and for **LAWSON SOFTWARE** in Chatswood (900 m²).

GROUP GSA has teamed with **HAMILTON THOMSON** on a D&C project for **RENTOKIL INITIAL** (1,200 m²). They are also designing a five-Green-Star fitout for **HASTIE AUSTRALIA** in Homebush (800 m²), while working on alterations for **INVESTEC BANK'S** existing premises (1,800 m²) and a fitout for **LOGICA CMG** in North Sydney (3,500 m²).

HASSELL is finalizing documentation for public areas and 241 rooms at the **DARWIN MEDINA AND VIBE** hotel. Their fitout for **BROTHER AUSTRALIA** is at briefing stage (1,800 m²), while design development for **GENEPHARM** in Athens is in progress (3,500 m²). The **TELSTRA POSSIBILITY CENTRE** is at documentation stage (1,600 m²).

GEYER has won commissions for the **RESERVE BANK** and for **ARISTOCRAT** (15,000 m²). The firm's projects for **RABOBANK** (7,000 m²) and **FUJI XEROX EPICENTER** have just been completed, with work continuing on **MIRVAC** (6,500 m²), **THIESS** (3,500 m²), and **LEIGHTON HOLDINGS** (4,500 m²). They are also working on a strategic brief for **TELECOM NEW ZEALAND**, projects for **ANZ** and **IBM**, and a new store design for **HARLEY DAVIDSON**.

PECKVONHARTEL has completed work on the new **TASTE** restaurant, bakery, and bar (250 m²).

WOODHEAD is designing interiors for the **DEPARTMENT OF EDUCATION, SCIENCE AND TRAINING** in Canberra (36,000 m²) and the **EURO AMERICA CENTRE** for CJW International in Hangzhou, China (3,000 m²).

CUSTANCE ASSOCIATES has been appointed by **CORPORATE EXPRESS** to prepare a strategic facilities plan for their new south Sydney office (8,000 m²). The firm is refurbishing 66 rooms and foyer spaces at the **ARTARMON INN** and working on a fitout for **CHURCHES OF CHRIST NSW** (1,000 m²). Construction is underway for the **ELLA BACHÉ COLLEGE** in North Sydney (900 m²).

VALMONT INTERIORS is expanding **ANATAS'S** Pitt Street offices (300 m²) and refurbishing lift lobbies at **AURORA PLACE**. The team was appointed by **VIRGIN MANAGEMENT** for a new tenancy in Circular Quay (400 m²), by **TYNAN MACKENZIE** for offices at 1 Macquarie Place (850 m²), and by UK-based **REED RECRUITMENT** for a new Sydney office (350 m²).

LANDINI ASSOCIATES has completed a new store format for **JURLIQUE**, to be rolled out in Australia, Asia and the United States along with new branding and redesigned packaging.

MIMA DESIGN is preparing retail concepts for **WILD SURFCO** at Westfield Kotara (700 m²) and for **BEACH STREET SURF SCENE** in Dapto Mall (443 m²). Other current projects include a **NUTS GALORE** kiosk (45 m²) and **WRAPALICIOUS** (70 m²), both in the Rouse Hill Town Centre.

ODCM is working on two projects for **ST. GEORGE BANK** – two floors at 35 Pitt Street (3,500 m²) and building feasibility and space planning in western Sydney (2,200 m²). They have been commissioned by **ZURICH** for new head offices in Auckland (360 m²) and Canberra (220 m²). Projects are also in progress for **SCOTTISH PACIFIC BUSINESS FINANCE** in Melbourne (400 m²), **INFOSYS** in North Sydney (600 m²), and **WALLANDRA** in Bathurst (520 m²).

BRISBANE

11

GROUP GSA is upgrading office space for **ROBERTS NEHMER MCKEE** in Townsville (1,000 m²) and the **LAW STAFF** recruitment agency (260 m²). The firm is also working on the **UCI** showroom and office in Brisbane and concept design for the **AUSTRALIAN CUSTOMS SERVICE** (9,000 m²). They are at schematic stage with interiors for **RIO TINTO SHARED SERVICES** at 4141 George Street (3,900 m²) and a Brisbane location for **RSA SECURITY** (1,800 m²).

12

GEYER has been commissioned to undertake national works for the **COMMONWEALTH DEPARTMENT OF PUBLIC PROSECUTIONS**. They are also designing interiors for **QIC** (7,000 m²). Projects for **MINTER ELLISON** (7,500 m²) and **QSUPER** (8,000 m²) are underway, as well as a new foyer and retail space at **100 CREEK STREET**. The firm's recent projects for **JOHN HOLLAND** (2,400 m²) and **BHP MITSUBISHI ALLIANCE** (7,100 m²) have just been completed.

13

FAIRWEATHER PROBERTS is finalizing design development for five boutique apartments in Griffith Street, New Farm, while their 47 apartments at the **ICEWORKS** development are under construction. Contract documentation is underway for 39 apartments at the **VICTORIA STREET** development and a project for **TOWNSVILLE RAIL**. Stage two of **ALLISEE** on the Gold Coast is at design development stage. The team is also working on **THREE BISTRO**, a new Michael Conrad restaurant at the Emporium development, as well as fitouts in Ipswich and Ascot for **ATTUNE**, a hearing test initiative of Queensland Hearing, and level three of the **BCM** office refurbishment (1,000 m²).

HASSELL is at design development stage with projects for **FREEHILLS** (3,000 m²) and **BILLABONG** (2,000 m²). Their project for **MCCULLOUGH ROBERTSON** (1,200 m²) is in contract documentation, while sketch design is underway for **HATCH** (10,500 m²) and Melbourne premises for **JOHN WILEY & SONS** (3,000 m²).

11-14 / RETAIL FITOUTS IN THE TCB BUILDING, FORTITUDE VALLEY. DESIGNER: ARKHEFIELD.

PHOTOGRAPHY: SCOTT BURROWS

ADELAIDE

WOODHEAD is refurbishing the **UNIVERSITY OF ADELAIDE'S** site at 10 Pulteney Street, with staged construction over the next two years (9,000 m²). The firm also has two hotel projects in the works – the **FLAGSTAFF HOTEL** in Darlington (800 m²) and the **REEPHAM HOTEL** in Prospect (600 m²).

WOODS BAGOT is undertaking a corporate fitout that will achieve five Green Stars for the **AUSTRALIAN TAX OFFICE** in the City Central Tower (3,000 m²). The team has been commissioned for the **AIR WARFARE DESTROYER SYSTEMS CENTRE** at the Techport Australia site in Osborne (6,000 m²).

FIX: The summary of works on the new Rip Curl store project in Rundle Mall, Adelaide, reported in Scope in *Artichoke* 18, should have credited IdeaWorks for the interior store concept and fitout along with Woodhead for the base building and heritage works.

SMITH MADDEN is in the midst of design development for the **COLLINS FOOD GROUP** (2,000 m²) and refurbishment of **CTLK CALOUNDRA** (1,800 m²), with construction commencing next month. Work for **WILLIS BRISBANE** is also in progress (440 m²).

WOODHEAD has been commissioned by the **NATIONAL AUSTRALIA BANK** for premises at 141 Queen Street. The firm is also working on fitouts for **LUDOWICI** (2,000 m²) and **HYDER CONSULTING** (1,200 m²). Several projects for the **GOLD COAST CITY COUNCIL** (4,090 m²) and the **AUSTRALIAN QUARANTINE AND INSPECTION SERVICE** (2,000 m²) are continuing.

COOP CREATIVE is preparing documentation for a small hotel in New Farm for **TRIVETT VENTURES**, comprising nine guest rooms, a private bar, and function facilities (500 m²). They are also undertaking concept development for **H2N'S** specialty dog cafe, spa, and day care. The team is continuing upgrades of various Brisbane legal chambers and partnering with **LA SPINA ARCHITECTS** on a new dentistry centre in Brisbane's north.

ARKHEFIELD is upgrading Milton's **LUTHERAN CHURCH** (2,700 m²). The firm is collaborating with **ASHTON RAGGATT MCDUGALL** on QIC's **Q&A** retail development on the corner of Albert and Queen streets. Retail fitouts for **MAIOCCHI** in the Wintergarden and for seven emerging designers in Fortitude Valley's **TCB** development have started trading.

2

MILAN'S ANNUAL SALONE DEL MOBILE PRESENTS A HEADY MIX OF FURNITURE, OBJECTS AND OTHER SHINY THINGS BY DESIGN VISIONARIES FROM AROUND THE WORLD. HERE WE'VE COLLECTED SOME HIGHLIGHTS, COMING SOON TO AUSTRALIAN SHOWROOMS.

1/ COUPÉ GT

Piero Lissoni reinterprets his retro Coupé sofa in the new Coupé GT armchair from Cappellini. Its soft and understated form suggests lazy relaxation. The Coupé GT is equipped with removable upholstery and leather armrests.

DEDECE
 T 03 9650 9600
 W www.dedece.com

2/ FUTTON

Tomita Kazuhiko infused Moroso's Futton lounge with an Oriental flavour. Low and inviting, the floating form references traditional Japanese bedding and is finished in luxuriant upholstery bearing kimono-like patterns.

HUB
 T 03 9652 1222
 W www.hubfurniture.com.au

3/ CATIFA

Finished in leather or fabric, Arper's Catifa 70 and 80 lounge chairs are perfect for the urban sophisticate. Spain's Lievore Altherr Molina have designed two new bases – a sled frame in chrome, and a swivel base in hand-polished aluminium.

STYLECRAFT
 T 02 9355 0000
 W www.stylecraft.com.au

4/ MONROE

France's Ora-Ito Studio designed the Monroe table lamp's simple angles for Artemide. Able to rotate 360 degrees, the lamp emits a soothing light. Its aluminized glass fibre diffuser tops a steel base in anthracite grey.

ARTEMIDE
 T 03 9349 3310
 W www.artemide.com

5/ LITTLEBIG

Jeff Miller designed the Littlebig chair for Baleri Italia. Curving from the front, the seat appears to hover within the chromed steel frame. It is crafted from layered oak ply, with white, black and upholstered finishes available.

FY2K
 T 02 8399 1644
 W www.fy2k.com.au

6/ IRREGULARS

Handmade from New Zealand wool, Nanimarquina's Irregulars collection of rugs can be assembled in endless tangram-like arrangements. Blue, purple, and pistachio pieces are available. The range was designed by Ana Mir and Emili Padrós.

KE-ZU
 T 02 9699 6600

7

10

11

12

9

7/ OCEANO

Andrée Putman's Oceano trunk evokes visions of nautical chic atop a seagoing ocean liner. Designed for Poltrona Frau, the Oceano is meticulously detailed and equipped with an array of drawers and pockets for valuable possessions.

SPACE FURNITURE
 ☎ 02 8339 7588
 🌐 www.spacefurniture.com

9/ PK24

Previously available only in wicker, Poul Kjærholm's lissome PK24 chaise from 1965 is reborn with slick leather upholstery in Fritz Hansen's latest range. The chaise is fitted with a leather headrest and a stainless steel frame.

CORPORATE CULTURE
 ☎ 02 9690 0077
 🌐 www.corporateculture.com.au

11/ MAUI

Hewn from a single piece of scented cedar, the Maui armchair from Riva 1920 is at once solid and sinuous. The natural grain of each piece is finished by hand. Ideal for indoors or out, the Maui was designed by Terry Dwan.

FY2K
 ☎ 02 8399 1644
 🌐 www.fy2k.com.au

8/ CAPRICE

Clad in quilted leather, the compact Caprice chair is part of Cassina's Privé Collection by Philippe Starck. With its aluminium legs and padded seat, it is simultaneously futuristic and comfortably familiar. The range features other upholstered seating.

SPACE FURNITURE
 ☎ 02 8339 7588
 🌐 www.spacefurniture.com

10/ SKIN

Small geometric incisions in the surface of the double-sided leather seat cast intriguing shadows below Molteni's Skin sofa. Jean Nouvel used a surprisingly simple approach – a suspended seat over a tubular frame in pretensioned steel.

HUB
 ☎ 03 9652 1222
 🌐 www.hubfurniture.com.au

12/ GRAY COLLECTION

Inspired by continental classicism, Gervasoni's Gray Collection blends muted neutrals with timber, marble and textiles. Designed by Paola Navone, the result is an elegant and austere selection of chairs, tables, sofas, and occasional furniture.

ANIBOU
